What we do

- → We specialise in adhesives and adhesive systems – bonding, coating, sealing, encapsulating, potting, masking and gasketing products, together with the most appropriate equipment and accessories for surface preparation, mixing, application, dispensing, and curing them.
- → The provision of insightful technical and applications guidance is a cornerstone of our business. We help you find the optimal materials and processes for the manufacture, assembly or repair of your products, safeguarding and enhancing performance and integrity and, in turn, your profitability and reputation.

Our Values

- → We **grow** by taking advantage of the abundant learning opportunities which present themselves to us
- → We **collaborate** openly with colleagues, customers and suppliers to earn trust and effect measurable results
- → We **empower** our people to listen, take ownership and deliver timely positive outcomes
- → We **respond** to you today

We care about

- → Our colleagues
- → Our safety
- → Our wellbeing
- → Our environment
- → Our community
- → Our stakeholders
